

LESSON 10:

SUMMARIZE & REFLECT

and how to keep getting better at this!

1. Summarize & Conclude

- In summary,
- In conclusion,
- To summarize,
- To conclude,
- To sum up,
- In a nutshell, .../.... in a nutshell
- In brief, /in brief is....
- On the whole,
- Overall,

2. Reflect on the experience

2.1 Interpretation

- For me, **VS** To me,
- I have found that...
- I will never forget the time when....
- I thought..... but actually....
- Looking back on, I

- It's been experience.
 - memorable
 - shocking/
 - typical/
 - terrible/
 - disappointing/
 - great/
 - life-changing/
 -

2.2 Outcomes

- I have (significantly/slightly) + developed/improved/ completed/changed + my skills in/understanding of / knowledge of /ability to...
- Having, now I feel/think/know/can....
- After, I have become/learned/realized
- As a next step, I need to.....

Some useful transitions

- Additionally
- Furthermore
- Moreover
- More/most importantly
- Above all
- On the contrary
- On the other hand

Let's try

Let's try to conclude and reflect on the experience learning in this course!
