

LESSON 8:

GIVE OPINION

1. General opinion

- As far as I'm concerned, ...
- From my point of view, ...
- In my opinion, ...
- In my view, ...
- If you ask me, ...
- It seems to me that ...

- I could be wrong, but
- I'm no expert, but
- Personally speaking, I believe ...
- If I may ...

- + I think/believe that
- + I'm certain/sure/positive that
- + I feel/suppose/guess/assume that
- +I agree/disagree with / that

OR

- + (*The statement*)

2. Agree

- I (*strongly/totally/really*) agree that
- I agree with you 100 percent.
- I couldn't agree more.
- I feel the same.
- That's exactly how I feel / what I think.
- Me too, Same here, Me either / neither.
- I was just going to say that!
- I think so, I guess so, I suppose so

3. Disagree

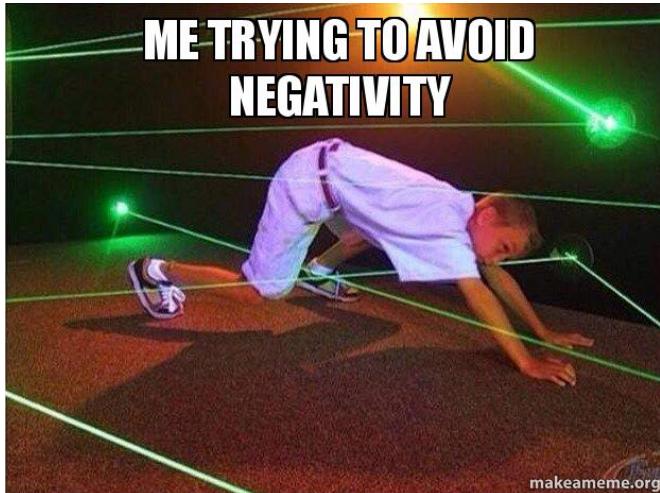

I agree with you a bit but...

- I see what you're saying but
- That is a fair point, but
- I understand where you are coming from but...
- I agree up to a point, but....

I don't agree at all

- I'm afraid I disagree.
- I'm not sure about that because....
- You could say that, however....
- That's one way of looking at it, however...

We can avoid negativity

I don't think that's such a good idea. (*NOT It's a bad idea.*)

I don't think I can agree with you. (*NOT I disagree with you.*)

I'm not sure it's the best idea. (*NOT it's the worst idea!*)

4. Neutral (No opinion)

- I've never given it much thought.
- It doesn't make any difference to me.
- I (really) don't know what to say.

Delaying your thoughts

- I don't know... but ...
- I've never thought about that before but ...
- Hmm... interesting....

In-depth lessons in the intermediate courses

Let's Practice!

Situation:

The company is considering implementing a new policy that allows employees to work from home **4 days a week**. The policy aims to improve work-life balance and employee satisfaction.

You **agree with the idea of remote work** and believe it can lead to more productive employees. However, **you are concerned that not all departments can implement this policy** effectively due to the nature of their work. You need to express your viewpoints during the team meeting.

K: What do you think about the new remote work policy?

You:[agree with the policy & disagree that it might not work with all departments].....
