

LESSON 3:

TALK ABOUT YOUR JOBS & GOALS

WORK (JOB)

- I am _____ (*at ...workplace...*)
- I work as a _____ (*and I love it!*)
- I work in _____.
- I work for _____.
- I've been preparing to work in the
_____ *industry/field/business/sector.*

Q: What do you do (*for a living*)?

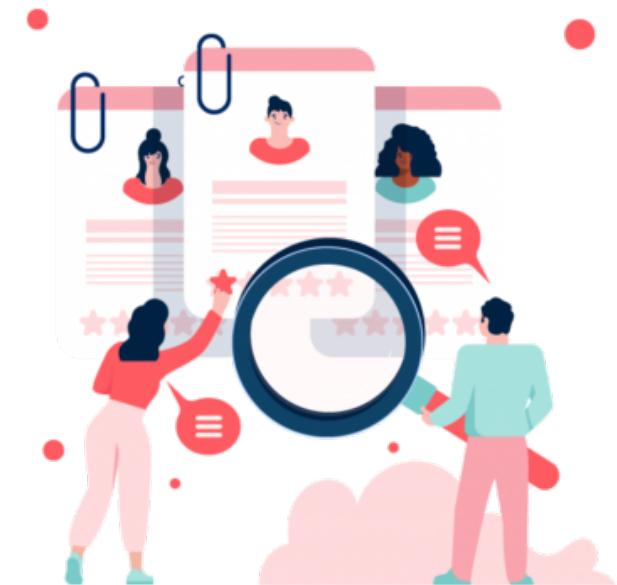

- Who are you?
- What do you do?
- Who do you do it for?
- What do the people want or need?
- How do you feel about it?

Who are you?

- I'm _____.
- I work as a _____.

What do you do?

- I'm responsible for _____.
- I'm in charge of _____.
- Most of my time is spent _____.
- I have to _____.
- What we do as a _____ is _____.

Who are you?

- + What do you do?*
- + Who do you do it for?*
- + What do those people want or need?*

I'm a project manager. I lead teams to complete projects for our company. I'm responsible for planning the project, tracking progress, and making sure we meet deadlines. We want to deliver quality work to our customers on time . They need our projects to help their businesses grow or improve their services.

I'm a marketing specialist. I develop strategies to promote products or services to target audiences. I'm in charge of creating advertising campaigns, managing social media accounts, and analyzing market research for the company. The goal is to increase brand awareness and sales.

Add + How do you feel about it?

I'm an accountant. I manage financial records and make sure taxes are paid correctly and on time. My clients rely on me to keep their finances in order and to provide advice on financial planning. I really enjoy helping businesses grow and succeed financially.

Tip: Connecting clauses

- I'm a sales manager, working for a mobile phone company.
- I work for a law firm, based in Bangkok.
- I work as a and I love it/it's amazing.
- I'm doing to become
- is challenging/tiring but it's fun/fascinating/interesting.
- **As a/an**, I want to/ aim to/ work hard to
